COVID-19 | Test to Treat Equity ECHO

Wednesday, March 8, 2022

12:00 - 1:00 pm PT

Webinar: Natural History and Pathophysiology of COVID-19

Jason Maley, MD, MS

Beth Israel Deaconess Medical Center

As the COVID-19 pandemic shifts from crisis-mode to 'normal operations' and with wide availability of rapid antigen testing and therapeutics, the COVID-19 Test to Treat Equity ECHO aims to assist clinics and community-based sites in implementation of their own Test & Treat programs. This program will consist of:

CA Statewide Webinar – 2nd Wednesday of each month, 12-1pm PT

A monthly webinar with presentations by expert faculty and a moderated Q&A panel discussion with subject matter experts

[Register for the webinar here](#)

Regional NorCal/SoCal Office Hours ECHO Sessions

A more intimate, small group Q&A session with hands-on clinical discussion and technical support with multi-disciplinary expert panelists

- **Northern California Test & Treat ECHO** – 1st Wednesday of each month, 12-1pm PT
 - [Register for NorCal session here](#)
- **Southern California Test & Treat ECHO** – 3rd Wednesday of each month, 12-1pm PT
 - [Register for SoCal session here](#)

With an equity lens, this program will enable test & treat programs to operate within affected communities to reduce health disparities and increase access to life-saving diagnosis and early treatment for COVID-19.

Upcoming Webinar Topics:

- 4/12/23 - Practical Aspects & Operational Details
- 5/10/23 - Overview of Post-COVID Conditions

In support of improving patient care, Project ECHO® is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.
